2022-2023 INDIANA CONFERENCE OF SDA SCHOOL CALENDAR

School days: The expectation is that each school will have 180 school days consisting of a minimum of five (5) hours of instructional time for grades 1-6 and six (6) for grades 7-12. Recess and lunch must be in addition to these amounts. If a school dismisses early on Friday (less than 45 minutes), the number of minutes should be made up with extra minutes during the previous weekdays. For further details, please see www.doe.in.gov and search "180 Days" then choose the document "Instructional Time Re."

Professional Development half days: Half days on professional development days can count as full days provided online learning activities/assignments are sent home with the students to make up the missed seat time requirements.

Parent-Teacher Conferences: These do not count as school time. P-T conferences must be in addition to required instructional time.

Indiana School Choice Scholarships: Schools participating in Indiana Choice Scholarship (vouchers) may be financially penalized by the state if the guidelines for minimal instructional time and days are not followed.

National Holidays: Conference schools should not be in session on national holidays identified on this calendar unless public schools in the area are using those days as emergency snow make-up days.

Recommended School Day Hours:

- 8:00 a.m. to 3:00 p.m.
- 8:30 a.m. to 3:30 p.m.

The Indiana Conference Office of Education endeavors to coordinate a school system in which all locations follow the same calendar. Any deviations from this calendar must be approved by the local school board and the Superintendent of Education *before* you release your calendar to the public. Indiana law requires that students receive 180 days of instruction. Staff development and in-service days, registration days, and school social events may not be counted as school days. Sunday field trips may be counted as school days if specific criteria are met. Please check with the Superintendent of Education for information regarding the criteria.
